

Please replace the initial paper copy of the sequence listing with the enclosed substitute sequence listing after the last page of the specification.

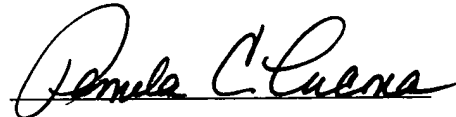

REMARKS

Pursuant to the requirements of 37 C.F.R. §§1.821-1.825, an initial computer readable form (diskette) and a substitute paper copy containing the Sequence Listing are enclosed. Pursuant to 37 C.F.R. § 1.821, applicant herein states that the contents of the attached paper entitled "SEQUENCE LISTING" and of the accompanying identically labeled diskette, i.e., the ASCII-encoded file saved to the accompanying diskette as "Seq. listing (ASCII copy).txt", are identical and the sequence submission contains no new matter.

Entry of this amendment is respectfully requested.
